No. 514 Date - 16/06/23

Subject: - Request to new Building safety certificate.

Ref: - Your letter number 242 dated 05/06/2023.

With reference to above cited subject it is informed that Concerned Junior Engineer visited the school site on 09/06/2023 and after inspection he has recommended for safety Certificate up to **31-03-2024**. So as per the recommendations of Junior Engineer, Building safety certificate to **Shivalik View Public School, Village Lang Majari, Anandpur Sahib, Distt. Roopnagar** has been issued upto **31-03-2024** with following conditions :-

- 1) Maintenance of school building will be carried out by you every year.
- 2) Building terrace and surrounding must be free from Rainy/waste water.
- 3) If any cracks appear in the building, then it must be repaired as soon as possible.
- 4) Safety of Building is solely your responsibility and all fire fighting material must be in good/useable conditions.
- 5) If any kind of addition is made to the building of this school, then it should be done under the supervision of a technically qualified engineer and a certificate should be obtained from that engineer that the building will be structurally safe by doing this addition/alteration, modification. After this, the school will take the school building certificate again.
- 6) The internal structural stability of this school building cannot be checked from the external appearance. Therefore, if at any time there is damage due to deficiency in the structural design of the building, then the school authority itself will be responsible for it.
- 7) In case of flood damage to the building and any settlement in walls/foundations and sagging in roofs, the school authority will immediately bring to the notice of this department.
